

I, \_\_\_\_\_ understand that the \$1000 document review fee is a non-refundable DEPOSIT.

I further understand that case preparation and/or submission is a lengthy process and may require additional documentation to be provided. The Pilot is responsible for providing all requested documentation in a timely manner and is responsible for any document fees. Lack of cooperation may substantially interfere with Dr. Faulkner or Dr. Howell's ability to effectively render service.

I understand that case preparation and/or submission may require additional fees based on medical conditions in the provided medical documentation and the total time for case preparation and submission. The \$1000 deposit will be credited toward the total cost of case preparation and submission.

Additionally, I understand that after I receive the total cost of my submission that I will be responsible for making monthly payments of \$250 until my balance is paid off.

I understand that payment for case preparation and submission does not guarantee approval by the Federal Aviation Administration (FAA) nor is it a guaranteed timeline for case submission.
